WEBSITE ACCESSIBILITY STATEMENT

LLANFYLLIN TOWN COUNCIL

DOCUMENT REFERENCE: LTC-17

ADOPTED DATE: 19-MAR-2025

REVIEW : MAR-27

Llanfyllin Town Council is committed to ensuring that its website is accessible to all users, including those with disabilities. This statement outlines our approach to meeting the requirements of The Accessibility Regulations 2018 (S.I. 2018/952), which require public sector websites to meet certain accessibility standards.

1 Accessibility Standards

We are working to make this website accessible, following the guidelines of the Web Content Accessibility Guidelines (WCAG) 2.1 at Level AA. Our goal is to ensure that the website is usable and accessible to as many people as possible, regardless of their abilities or disabilities.

2 Compliance Status

This website is partially compliant with WCAG 2.1 level AA. We have carried out a detailed audit of our website to identify areas for improvement and are in the process of addressing any accessibility barriers.

3 Known Accessibility Issues

While we are actively addressing accessibility issues, some areas of the website may still present challenges. The following issues have been identified:

- **Images without Text Alternatives:** Some images may lack descriptive alternative text (alt text).
- **Complex Tables:** Some tables may not be properly formatted for screen reader users.
- **Keyboard Navigation:** Certain interactive elements may not be fully navigable with a keyboard.

We are working to resolve these issues and ensure full compliance with the accessibility requirements.

4 Feedback and Contact Information

If you experience any difficulties in accessing the content on this website or have suggestions for improvement, please contact us at:

- Email: council@llanfyllin-tc.gov.wales

We will respond to your queries and take appropriate action to ensure that our website meets accessibility standards.

5 Alternative Formats

If you require any content on this website in an alternative format, such as large print, audio, or braille, please contact us using the details above. We will work to provide the information you need in an accessible format.

6 Continuous Improvement

We are committed to improving the accessibility of our website. We will continue to test the website and make necessary adjustments to ensure it is as accessible as possible. As part of our ongoing efforts, we will review and update our accessibility statement regularly.
